Shower Screens & En suite Walls

Add a touch of luxury to your bathroom with a bespoke Altitude Glass shower screen or en suite wall. Working with you, we can develop a design that meets your requirements perfectly and delivers on style 100%.

Take a look through our brochure for inspiration and get in touch for a quotation or free design consultation.

Frameless with doors

Sliding door

Angled - ideal for attics and small spaces

Frameless without doors

Black framed

Shower Screen Styles

We offer a range of screen styles and glass types as well as ironmongery. Whether you're looking for a wet room shower screen, bespoke shower enclosure or glass partition walls for your en suite or bathroom, we can provide the right solution for your needs.

Glass Types

Glass types available include clear, half frosted, bronze tinted and the newest addition to our range, reeded glass.

Glass can be treated with an EnduroShield coating, which transforms it into an easy clean, non-stick surface that remains water and oil repellent. Once applied, the glass stays cleaner for longer, significantly reducing cleaning.

"So glad to have found this company when looking for a shower screen for our bathroom. Great service from initial contact to installation and I would highly recommend."

- M Irving

Measuring & Fitting

To obtain a quotation, simply send over the height, width, style of frame, glass and ironmongery colour required. Alternatively, we do offer a measuring service, if you would prefer for us to visit your home, we can then discuss the project in more detail with you. Please contact us for more information about this.

In our local area, we carry out the fitting of the glass screens this allows us to ensure the level of service we want to achieve is obtained. The screens are also available on a supply-only basis with delivery direct to your home and clear instructions for installation. This is ideal if you are already working with a plumber or joiner. Please advise us whether you require installation when requesting a quotation.

Ironmongery

From striking black to soft rose gold, you can create a truly bespoke shower screen or enclosure with our range of ironmongery colour options.

"I was seeking a bespoke, frameless shower enclosure due to the 'awkward space' I was trying to fit. I tried many suppliers, websites, emails the UK wide for quotes and delivery availability. Altitude Glass were very responsive, quick to answer any questions or queries I had. Delivery was prompt and as promised. The quality of the product is excellent and value for money second to none, I can only highly recommend."

- M Green

Mirrors

We can also design and supply bespoke bathroom mirrors cut to your specific size and shape requirements. We can incorporate lighting behind the mirror and the glass is available in a range of finishes including antique, silver, bronze and rose.
